

BULGARI SOFA

DESCRIPTION

Bulgari is a modular system consisting of 6 modules that can be arranged to create different layouts to accommodate the clients needs. The table module comes in either Oak or Walnut in a variety of finishes, stains and and textures. The table has optional stone or glass inlays. (stone varies based on availability)

SPECIFICATIONS

STRUCTURE

Solid Kiln dried hardwood with Elastic webbing for suspension. All joints in frame are glued with epoxy and screwed together to insure years of use without fail. Wood structure is covered in medium density polyurethane foam. Then fully upholstered including deck.

SEAT/BACK CUSHIONS

Multi density memory foam core to insure performance and comfort, wrapped in a choice of goose down filled channeled case or ultra-light foam topper. The fabric is bull nosed on both the seat and back cushions with either a top stitch detail or leather piping.

BASE

Fabricated in either wire brushed Oak hardwood and offered in multiple finishes or Walnut hardwood in Black dye flat finish or clear coat flat finish.
