DESCRIPTION

The sofa features a zippered detail on the edge of the back rest and button detail across the back. The sofa sits on a delicate metal base offered in powder coat finishes or plated finishes for an up charge, adding sophistication and fashion to the design. Paris was designed as a lounging sofa and has a comfortable amount of seating depth to relax on. (Also available in a bed design dining/counter chair and ottoman).

SPECIFICATIONS

STRUCTURE

Solid Kiln dried hardwood with Elastic webbing for suspension. All joints in the frame are glued with epoxy and screwed together to ensure years of use without fail. The wood structure is covered in multiple-density polyurethane foam. Then fully upholstered including the deck. The backrest features a zipper detail at each end offered in any color available.

SEAT/BACK CUSHIONS

Multi-density memory foam core to ensure performance and comfort, wrapped in a goose-filled chaneled case. The fabric is bull-nosed on both the seat and back cushions with a choice of either a top stitch detail or leather piping.
