

# CAIRO TABLE

TABLES  
[www.arthur-collection.com](http://www.arthur-collection.com)

## DESCRIPTION

The table has a ribbon like edge detail that is achieved by beveling the underside of the tabletop, giving it a sleek profile. The legs have the same detail on the front side, contrasted with a heavier bold look from the side and back. The table is offered in three sizes. (Shown in heavy sandblasted oak top with Sterling silver finish and black satin lacquered legs.)
